VOCAL TUTORS

Stevie Formica - GV local, went from sleeping in a crib backstage during shows, to standing in front of audiences as soon as she could sing. Having grown up on the stage with her parents, Stevie graduated to the front of local band Daisy Chainsaw to hone her craft as an entertainer. Continuing her music career with a two year stint studying at Melbourne Polytechnic, Stevie has many years of experience and knowledge to pass on to the next generation of performers.

Steph Durden has been performing ever since she was able to talk and has over 20 years of experience in both the singing and dancing industry. She has been trained by a number of different teachers from local dance schools to STAG, The Space Melbourne, Townsville's Academy of Performing Arts, and The Voice Singing School.

Steph is well experienced in the performing area and in 2017 represented Australia in the I-Sing world Championships travelling to Myanmar where she competed against 36 countries and placed top 17 in the world. Steph is also no stranger to musical theatre having starred in many leading roles from We Will Rock You, Wicked, Les Miserables, and Mamma Mia.

Along with her Music & Dance experience, Steph also holds a Bachelor of Education, Certificate 3 in Children's Services & Certificate 3 in Performing Arts.

Steph has always been known as a triple threat with experience in Singing, Dancing, and Acting and has a passion for working with young people to help them achieve their performance dreams. Over the past 10 years, Steph has been teaching not only singing lessons by Hip Hop, Jazz, and Commercial dance to students all over the country and she is extremely excited to contribute & be involved at UCANDANCE in 2024.

During 2024 Steph will be teaching as a substitute and casual teacher only as she commits to her young family.
